#### **Background Information**

The Department received a petition from the Board of Education of the City School District of the City of Little Falls seeking consent of the Board of Regents to an increase in the indebtedness of the City School District of the City of Little Falls.

The State Constitution requires that any increase in the constitutional limit on local indebtedness for a school district wholly or partly within a city of less than 125,000 inhabitants receive: (1) the approving vote of 60 percent or more of the duly qualified voters; (2) the consent of the Regents; and (3) the consent of the State Comptroller.

According to the petition, the City School District of the City of Little Falls is located in the County of Herkimer and contains the City of Little Falls and various portions of the Towns of Danube, Fairfield, Herkimer, Little Falls, Manheim, and Stark. The documentation supporting the petition verifies that more than 60 percent of duly qualified voters approved the increase at a special meeting held on May 15, 2018. The amount requested for approval by the Board of Regents is \$30,425,000, to be used to fund a capital project consisting of the reconstruction and construction of improvements to school district facilities, including incidental costs and expenses in connection therewith.

Staff has reviewed the petition and supporting documentation and recommends that the requested consent be granted.
