

THE STATE EDUCATION DEPARTMENT / THE UNIVERSITY OF THE STATE OF NEW YORK / ALBANY, NY 12234

**TO:** The Honorable the Members of the Board of Regents  
**FROM:** Angélica Infante-Green *h. Infante - Green*  
**SUBJECT:** Registration of Public Schools  
**DATE:** May 31, 2018  
**AUTHORIZATION(S):** *Margellen Ecia*

### SUMMARY

#### **Issue for Decision**

Should the Regents register the public elementary, intermediate, and high schools listed in the attached table?

#### **Reason(s) for Consideration**

Required by Commissioner's Regulations Section 100.18.

#### **Proposed Handling**

The question will come before the Regents for action at its June 2018 meeting.

#### **Procedural History**

Beginning in July 2003, the Regents have annually approved the registration of new public schools. Since the date for submission of registration petitions was moved from June 1 to March 1 in 2012, the Department has in recent years been able to make recommendations to the Regents at their June meeting regarding registration of public schools.

#### **Background Information**

Commissioner's Regulations require that districts seeking to register a public elementary, intermediate or high school must submit a petition to the Board of Regents.

The schools listed on the attached table are being recommended by the Commissioner for registration, based upon school districts submitting petitions and supporting materials for these schools certifying the districts' commitment to operate these schools in compliance with applicable statutes, rules, and regulations relating to public schools and in compliance with applicable building codes.

Attachment A contains a list of the schools for which districts have petitioned for registration effective with the beginning of the 2018-19 school year.

Following the Board of Regents taking action to register a school, the Commissioner, pursuant to section 100.18 of Commissioner's Regulations, will determine the accountability status of the newly registered school. A school district that seeks to register a new public elementary, intermediate or high school must submit an addendum to the petition that provides such information as:

- Student admission criteria, including those pertaining to English language learners and students with disabilities, as well as the zoning patterns;
- Staffing (administration and instructional);
- Curricula; and,
- Facilities

This information is used to determine whether a school should open with an accountability status of "Good Standing" or if the school should carry over the accountability status of a school from which it split, into which it merged, or for which it is the successor.

### **Recommendation**

It is recommended that the Board of Regents take the following action:

VOTED: That the schools listed on the attached table be registered effective with the beginning of the 2018-19 school year.

### **Timetable for Implementation**

Schools listed in Attachment A will be registered effective at the beginning of the 2018-19 school year.
