STATE OF NEW YORK  
EXECUTIVE CHAMBER  
ALBANY 12224

TO THE ASSEMBLY:

Pursuant to the provisions of Section 14 of Article III of the Constitution and by virtue of the authority conferred upon me, I do hereby certify to the necessity of the immediate vote on Assembly Bill Number 8354 entitled:

"AN ACT to amend the domestic relations law, in relation to the ability to marry"

The facts necessitating an immediate vote on the bill are as follows:

This bill would amend the domestic relations law to grant same-sex couples the long overdue right to enter into civil marriages in New York. The continued delay of the passage of this bill would deny over 50,000 same-sex couples in New York critical protections currently afforded to different-sex couples, including hospital visitation, inheritance and pension benefits.

Because the bill has not been on your desks in final form for three calendar legislative days, the Leader of your Honorable body has requested this message to permit the immediate consideration of this bill.

G I V E N under my hand and the Privy  
Seal of the State at the  
Capitol in the City of  
Albany this fifteenth day  
of June in the year two  
thousand eleven.

BY THE GOVERNOR

Counsel to the Governor

Sons of the slums—cradled in crime—outcasts of the city—parasites of society—haunted, hunted! This is the stark drama of life in the back-alleys of the Big Town—the ragged fringe of its streets—the refuge of its refuse—the trap that stops them—the juggernaut that crushes hope—the DEAD END!

# MAKING IMAGES

A wide-angle photograph of a sunset over a beach. The sky is filled with scattered clouds, illuminated from below by the setting sun, creating a palette of deep blues, purples, oranges, and yellows. The sun is a bright, glowing orb just above the horizon line. The ocean's surface is dark, with white foam from waves washing onto a dark, silty beach in the foreground. On the left side, the silhouette of a lighthouse and its associated buildings is visible against the bright horizon. The overall mood is serene and atmospheric.
