Issues Discussion for the 2022-2023 Regents State Aid Proposal

State Aid Subcommittee

October 18, 2021

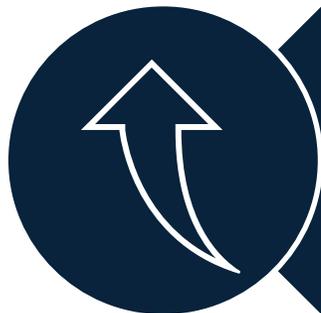

2021-2022 Budget – Foundation Aid

3-year schedule to fully fund Foundation Aid

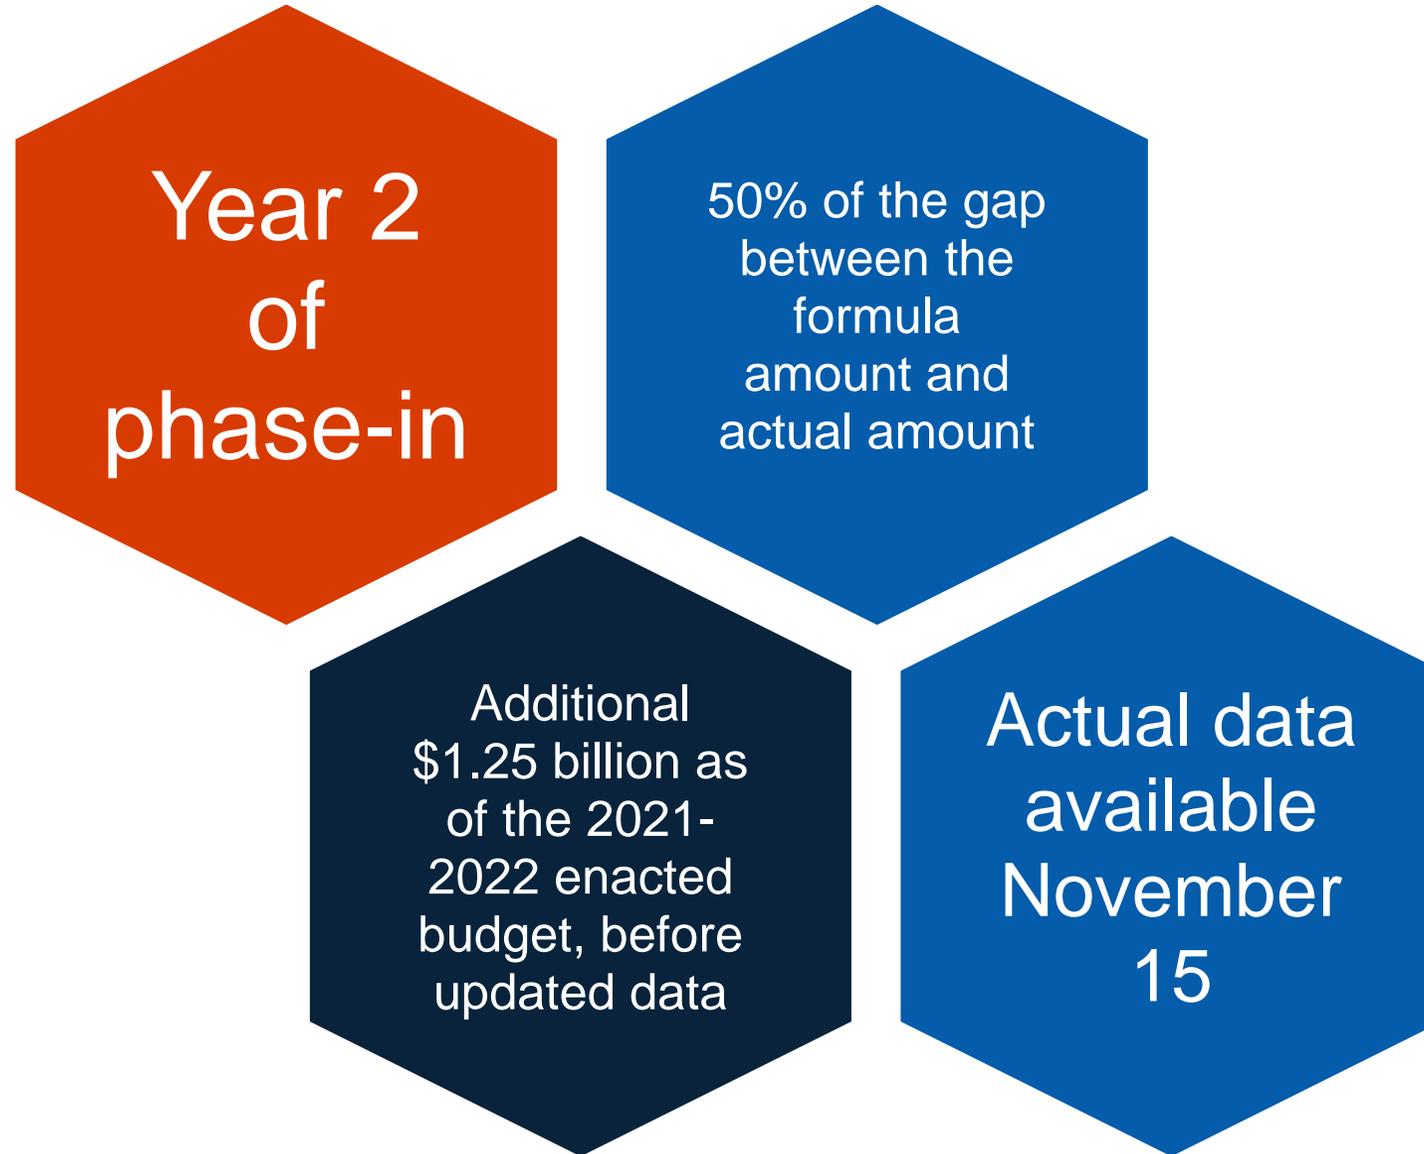

The Regents advanced this schedule for many years

First current law increase since 2008-2009

2022-2023 Current Law – Foundation Aid

Fully Fund Expense-Based Aids

Aid for reimbursement-based services such as transportation, building, BOCES

Annual increases range from \$100 million to \$400 million

Actual data available November 15, 2021

Regents have opposed prior Executive proposals to consolidate/reduce expense-based aids

Increase Access and Opportunity through Career and Technical Education (CTE)

Middle-level CTE

BOCES CTE Services

Aid for non-components of BOCES
(Big 5 and others)

District-provided CTE

Increase Access and Opportunity through BOCES Aid Expansion

Raising aidable salary range to support:

- Diversity, Equity and Inclusion CO-SER for professional development
- Virtual instruction for medically fragile students
- Career and Technical Education

Increase Access to Instructional Materials by Revising Outdated Funding Levels

Current Instructional Materials Aid

Textbook: \$58.25 per pupil – a single hardcover textbook costs over \$100

Hardware: \$24.20 per pupil X aid ratio

Software: \$14.98 per pupil

Library Materials: \$6.25 per pupil

Discussion

**Support current law
Foundation Aid**

**Support full-funding of
Expense based aids**

BOCES Aid Expansion

**Career and Technical
Education**

**Instructional Materials
Aids**

Others?
